2024

G-SOFT SOLUTION PVT LTD – SOFTWARE DEVELOPER INTERN

PROJECT NAME

ALUMNI MANAGEMENT SYSTEM

- The Alumni Management System is a user-friendly platform designed to help schools and colleges stay connected with their alumni. It allows graduates to update their profiles, reconnect with old classmates, and participate in events such as reunions. The system also features job postings, donation tracking, and discussion forums. With secure communication and accessibility on both web and mobile, it enables institutions to easily engage and inform their alumni
