## INTERNSHIPS AND PROJECTS

Internships	<b>plasmid</b> ( Duration March 2025 - May 2025 ) I have successfully completed my internship in Web Development with PLasmid under the Ministry of MSME from March to May 2025. This experience has strengthened my technical skills and enhanced my understanding of real-world development projects. Grateful to the team at PLasmid and Mr. K Praveen Kumar for the guidance and support throughout this journey! #Internship #WebDevelopment #MSME #LearningExperience #Certificate #CareerGrowth
Projects	<b>Online notice board management system</b> ( Duration January 2025 - July 2025 ) Developed a web-based application to digitize the traditional notice board system, enabling efficient publication and management of notices for institutions . Designed responsive user interfaces using HTML, CSS, and JavaScript for both admin and user modules. <b>Android app on women safety</b> ( Duration July 2022 - December 2022 ) Developed a mobile application aimed at enhancing the safety of women by enabling emergency communication and real-time location sharing.
